

# Everything you need for your conference and meeting communications

Rent or purchase state of the art conference communications systems with exceptional support from Bramshaw ICS - Making meetings meet since 1994.

## Televic Confidea Wireless®

Reliable, wireless conferencing with auto frequency switching, over 2 and 5 Ghz WiFi bands with outstanding audio quality.

## Televic Confidea Wireless®

## Brahler Digimic®

Technically brilliant, easy to install and very user friendly. World class communications at the touch of a button.

## Televic D-Cerno®

A unique digital system with excellent audio quality, stylish design, fast to set up with built-in recording and easy to use.

## Televic Translator or Silent PA®

Meetings are a breeze with this simultaneous language interpretation system - taking a speakers voice and via distortion free, digital infra-red light transmitting their speech to delegates in up to 32 languages at a time.
